السؤال الثالث في الامتحان

1 Read the following passage, then answer the questions:

Scientists are people who do experiments. They spend most of their time in labs. They want to discover something new for us. Scientists make many discoveries and inventions which are great help for all people. Thanks to the scientists, we have TV, the computer, the Internet and other things that make our life comfortable. We also have trains, cars, buses, planes and the metro. They make faraway distances shorter. They also make discoveries in medicine. Egypt is famous for its great scientists who have become leaders in many fields of life in our world.

A) Answer the following questions:

1. Where do scientists do their experiments?

2. How do planes help us?

B) Choose the correct answer from a, b, c or d:

3. Scientists help people

- a) all over the world b) in Egypt c) in Europe d) at home

4. Scientists work hard to

- a) make money b) become famous
c) make our life comfortable d) do experiments

5. The underlined word "its" refers to

- a) Europe b) Egypt c) the world d) Cairo

2 Read the following passage, then answer the questions:

Sixty years ago, computers were enormous. They were also expensive and slow. Now computers are getting smaller and cheaper and this will continue. We'll probably use computers in different ways in the future. We'll put more computers into planes and we'll use them in cars, too. We use some computers in planes now, but in the future we probably won't need people to fly them. A computer will be able to fly a plane by itself. Now we use computers to help us to design and invent new machines. In the future, computers might design machines by themselves, without the help of people.

General Questions

A) Answer the following questions:

1. What were computers like 60 years ago?

2. What are computers like now?

B) Choose the correct answer from a, b, c or d:

3. "Enormous" means very
a) dark b) big c) old d) small
4. In the future, a computer will probably be able to
a) fly b) buy a plane c) sell a plane d) fly a plane
5. The underlined word "them" refers to the
a) planes b) cars c) computers d) machines

3) Read the following passage, then answer the questions:

Camels are very useful animals. They can live in very hot deserts for a long time. They are tall and heavy. They are used for riding and carrying things in some countries. We can also get milk, wool and skin from them. The Arabian camel is about two meters high. It is usually brown in colour. It's sometimes used for racing which is great fun.

A) Answer the following questions:

1. What is a camel used for in some countries?

2. What useful things can we get from camels?

B) Choose the correct answer from a, b, c or d:

3. Camels are animals
a) tall and heavy b) short and light
c) short and heavy d) tall and light
4. The Arabian camel is usually in color
a) yellow b) orange c) brown d) green
5. The underlined word "them" refers to
a) things b) countries c) camels d) people

Final Revision

4 Read the following passage, then answer the questions:

Tourists usually come to Egypt in winter. They stay in comfortable hotels. In Cairo, they visit the Egyptian Museum. In Giza, they visit the Pyramids. Then, they go to Luxor. There, they visit the Temple of Karnak and the Valley of the Kings. Then they go to Aswan. Finally, they go to their home countries by plane.
